**19-Jan-18 Literature Distribution Report**

This past month has been somewhat slow in the flow of literature. The literature is in a safe and clean environment. We are looking for a vice chair. If you or an addict you know needs literature please let the committee know and we will make it happen.

The newsletter's current issue is out and making rounds. If your group wants free copies and has not received any please contact the committee. If you would like to contribute please let us know. The newsletter has been a lot of fun.
